

## Camp rules

### Time schedule:

**Breakfast:** service of breakfast will be defined each evening by one of the team. This team -the “service team” prepares the breakfast at about 7h -7h30.

**Lunch:** around 12h30

**Dinner:** around 19h30- 20h

**Silence in the camp at midnight.**

The participation in the everyday life and in the work at the beach is part of the project. The whole group is divided into international teams and will participate in these tasks.

## Camp rules

**Tobacco:** It is forbidden to smoke in closed areas, in vehicles, in the tents and during the meals. A “smoking area” will be installed.

**Alcohol:** Any kind of alcohol is forbidden in the camp

**Drugs:** specifically prohibited. The punishment for taking drugs will be the expulsion from the camp!

**Mixing of sexes in the tents:** The French law prohibits the mixing of sexes of minors in the tents.

**Hygiene:** the organizing structures are responsible for placing bathrooms, showers etc. at the group’s disposal.

**Health:** A first aider will watch over the health of the group and he will be responsible for the pharmacy

**Spare time** is generally anticipated at the end of the day, in the evening. In a notebook the teenagers can write down where they go, with whom and when they will be back. This notebook allows the team and the group to keep track of things.
